This letter is to advise you that based on information obtained during the investigation of the above-referenced charge, the Commission is expanding its investigation to include the non-alleged issue of nationwide class discrimination in hiring based on disability. This expansion is based on Respondent's nationwide use of its online assessment for hiring.

If you would like to provide any additional information to the Commission to rebut to the allegations of potential class discrimination, please provide any additional evidence by close of business (5:00 PM) on **February 15, 2013**.

If you have any questions, please call me at telephone number

Respectfully,
